

Project objective is to deliver urgent civil services to residents on Portion 10 and 11 of Farm 37. Portion 10 and 11 of Farm 37 is situated 3.7 km southwest of the intersection of D1983 and Main Road 36 (C14). Burmeister & Partners have been appointed for the urgent design & construction of the following services:

- Gravel roads
- Water reticulation with communal water points and localized sanitation system consisting of prefabricated abulution blocks.
- Sewer production is captured locally in plastic tanks and transported by the Municipality to the existing wastewater treatment plant in Walvis Bay.
